ABOUT US: Tres Rios Habitat for Humanity builds new homes in partnership with local families who have a demonstrated need for better, more adequate and affordable housing. Qualifying families must meet the following qualifications: <https://www.tresrioshabitat.com/apply.html>.

It is our mission that every family in San Juan County has a decent place to live. With a little help, we believe families can be empowered to overcome the barriers that so often stand between their families and better, healthier, and more stable lives.

Typically, we are able to build one new home every 15 months and complete several small renovation projects during this same time period.

BOARD MEMBER RESPONSIBILITY: To meet our goals in serving alongside our neighbors for a better community, we need a strong Board of Directors. We need passion, energy, advocacy and responsible oversight of our organization.

The Board of Directors provides leadership, direction and oversight for our local affiliate of Habitat for Humanity:

1. *Term of Board Membership:* Board members are typically elected to a three-year term, which may be renewed once for a total of six consecutive years of board service.
2. *Attendance:* You must attend at least 75 percent of board meetings, committee meetings, and special events. The Board meets on the second Monday of every month, 6 pm, at Bethany Christian Church.
3. *Committees:* Serve on project-based committees such as the Habitat Store Committee, Homeowner Application Committee, etc.
4. *Oversight:* Participate in and take responsibility for making decisions on issues, policies, and other matters. Help establish short- and long-term goals. Assist with the development and evaluation of a strategic plan and in implementing and monitoring the plan's goals.
5. *Personal Gift:* Make a personal financial contribution at a level that is meaningful to you, based on your personal budget and capacity. As a leader of the organization, we are grateful to Board members for making Habitat a philanthropic priority.

Habitat welcomes people from all walks of life to partner in creating a better community for everyone who lives here. We are seeking people who have integrity, credibility, compassion and courage.
